From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your eyes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/> It is to be noted the messages are not designed to lead souls to Mary, or replace Jesus with Mary, but it is always our loving Mother Mary leading souls to Jesus, to the Church, to the Sacraments through sincere prayer.

Single Messages Concerning Light

MESSAGE #1298 from the Blessed Mother December 18, 1997

My daughter, Go forth in faith and spread your love of knowing Jesus. Let this love pour forth from your heart, for then much light will surround this earth.

Those who come to know my Son, will glow. For light will replace darkness, for it will enter your soul. Those who yearn for Jesus will be attracted by this light, for they too will want to shine and become beacons of light. They will see much beauty from those who know Jesus and they too will want to come to know Christ. But those who are in denial and who are refusing God, become blind to this light. Their eyes are unable to see beauty because their focus is on themselves. It is not until man accepts God into their life that they are able to see beyond themselves.

Without this light, their heart remains cold. Those who are still in denial need your prayers, for without your prayers they will one day see total darkness. For the longer one allows their soul to wither away, the darker their soul becomes. They will become more vicious and cruel. This will happen because of their unhappiness. This will happen because they refused God's grace. Without God's warmth, man's heart becomes cold. Those who are killing the innocent are living in darkness. They have allowed their heart to become cold. Because of this, they do not feel pain. This is why they have no problem ripping babies from a mother's womb. They have become numb because they are in a state of darkness. They are in denial because they closed their ears to the truth.

Pray my children, for much darkness covers this earth and without your prayers this world will become colder. Without your prayers, abortions and killings will rise, for weapons will rule the street. New tools will be made to destroy lives. The colder one becomes, the more destructive their plans become, for when darkness enters, one no longer respects life. When evil is allowed, then it is man who wants to be in control. If evil is not stopped, it will only become worse. If more Christians don't join hands and go forth in truth, more of Satan's plans will be introduced.

How I weep when I see so many uncaring children. I weep because I know what is coming your way and without your prayers and a willing spirit to stand up for the truth, many more lives will be destroyed. You must believe that Satan loves death. This is why he is always at war trying to grasp those who will follow him. He has lured many with his lies and then leaves them to die or fend for themselves. He is promoting violence through games and TV, and many parents are falling for his tricks. Many parents are being trapped by Satan's web. This is happening because so many have no time for God. This is happening because many are fearful to stand up for the truth. This is happening because man is allowing evil to enter.

So pray, my children, that more will turn to God instead of the ways of the world. Pray that more are willing to suffer for proclaiming the truth, for without your help there will be much more bloodshed. Without your prayers, man's hands will become as powerful as weapons. Without your love and concern for your brothers and sisters, many more lives will be destroyed. So work together, my children, and join hands today so that light can overcome darkness. Do what I am telling you by responding to these messages. When you gather and pray, call, call upon the Holy Spirit, for then you will be guided in a fruitful way. By doing the Father's Will, Satan's plans will then be destroyed. For wherever there is God, the enemy cannot linger.

Now, please gather and pray for peace, conversion and unity or harder days will come your way. Pray and ask God to use you so more souls can be saved, for then there will be light and peace amongst my children. There will be love instead of war. Now, go forth in truth so more will come to know my Son. For without God, many will see total darkness. Go forth today, don't wait until tomorrow, for it may be too late.

I will be with you, my children, so please never be afraid. Just believe that if you all go forth as God's chosen children, you then can lessen what is coming your way. By believing this, you will remain hopeful so you never give up. May God's light now shine through you as you go forth in Jesus' Name.
Amen.

MESSAGE #2280 from the Blessed Mother February 15, 2002

My daughter, Pray with me today so that more will come to know Jesus. Offer your suffering to our Lord so more see light instead of darkness. Darker days will come and all will need to be in a state of grace. A greater chastisement will come if man continues to choose darkness. My daughter, tell my children that prayer, prayer from one's heart appeases God. Prayer and true devotion to our Lord is what truly pleases my Son. So today I ask that you pray, fast and surrender your will to God. I ask that you love and obey God and love, love one another. I ask that you take part in lighting the way for those who are living in sin. I ask that you forgive those who have hurt you and let God's love shine forth from you. I ask that you do not give in to Satan, for he is full of lies and will only pull you further away from God.

Be peaceful, loving children so that you may walk in my light. Look into your own hearts and examine your conscience daily. Be faith-filled children and be of strong faith. Convert now and embrace God's love. Convert now and be more thankful for the many blessings God has bestowed on each of you. I hold each of you ever near to my Immaculate Heart. My light shall remain here at this parish and I will continue to protect you with my mantle. I will continue to gather my children, so please continue to do your part. Use your hands and voice for Christ and welcome each child who comes to this group that I have formed. Now please listen to my messages and go forth and truly, truly live them. Amen.

MESSAGE #2304 from the Blessed Mother April 10, 2002

My daughter, Be at peace. I will protect you and those groups that I have formed. I will shower you with my grace and assist those who love and serve our Lord. Our Lord will not forsake you; these messages will be made known. I ask that you continue to write and relay my words, for the Gospel must be made known. All must come to know the truth, so they are ready and prepared to meet Almighty God.

God's merciful love is truly pouring out amongst His children, but many only come to Him when they are in need. So many suffer in Purgatory because of their refusal to amend their ways while on this earth. I am here because of God's mercy, to wake those who are sleeping. I am here now because of God's great love for each of you. I have been chosen to light the way, so more would turn to God before it's too late. I have been here for some time now, yet many, many are still sleeping.

Today, I am asking for your assistance. I am asking that you each go forth and let others know that God truly, truly exists. I ask that you respond now to these messages and share your faith with those who are choosing darkness. I am asking for a response now because my time to be with you is growing shorter. It will become much more difficult for you if you don't respond now. Many more lives will be destroyed if you remain silent and sheltered in your homes. Your hands and voice are needed, in order to make the Gospel known. You must imitate Christ and spread the love of my Son to everyone you meet. You must not sit back, you must use those gifts God has blessed you with. Each of you must turn to God for strength, so that fear does not enter. You must be faithful to daily Mass, so you receive the grace needed to live your faith. You must pray and fast and turn away from sin. You must respond to what I am teaching you, so you remain strong for Jesus. Reach out, reach out now, to all your brothers and sisters. Reach out and rescue those who are furthest away from God. Reach out now or you will see much more bloodshed. Satan loves suicide and you will see much more, if you ignore those who are suffering because they don't know God in a personal way.

Please keep your hearts open and take part now in saving souls. Daily prayer, prayers from your heart, will truly help those whose hearts are hardened. Pray more, instead of making excuses why you cannot pray. Pray more and take part in healing Jesus' wounds. Make sacrifices for the salvation of souls. Persevere and practice what you say you believe. Be true holy Christians.

Be humble, loyal children and give thanks to God for this special time of mercy and grace. Be confident now and bring the light of Christ to those who are choosing, choosing darkness. I am with you, so be not afraid, stand tall and live a life that is truly pleasing to Almighty God. Amen.

MESSAGE #2309 from the Blessed Mother April 23, 2002

My daughter, I am with you wherever you go, so be at peace. Be at peace and witness to those who have allowed themselves to become distant from God. I ask today that all my children take Jesus with them, wherever they go. I ask that you go forth and light the way for others. Time moves quickly and all must awake from their slumber.

Assist me dear children, by truly living these messages. Assist me, for many of my children are in great darkness. Many hearts are closed and many souls are in danger. Together we can light the way, if each of you do your part. Join hands dear children, and let the world know that I am truly here to assist those who take refuge in my Immaculate Heart. I am here to assist all my children and to restore family unity.

God is showering His Mercy upon families because so many are in turmoil. There is so much sinfulness in the family because of lack of prayer and respect, respect towards each other. Lack of love and lack of faith is truly tearing families apart. If only my children would pray and love one another, hearts would be united. If more families gathered for prayer, Satan would lose power. There would be less division in the Church, if more families prayed and faithfully came to Mass.

I truly weep due to lack of prayer and dysfunction in the family. I weep for those priests who are not shepherding their flock. I weep because some priests have stopped believing in the True Presence of Jesus in the Holy Eucharist. Many have become so involved in the world and have turned their back on My Son, Jesus. All must devote more time to prayer, in order for change to occur.

Today, I am asking each of you to pray more. Pray for Cardinals, Bishops and Priests. Pray for your Pope, for many oppose him. Many are not listening to the messages he is trying to convey to the world. Pray for all the sinfulness that is occurring in the Church because of disobedience. Pray and fast. Pray to the Holy Spirit. Pray, for again I say to you, your weapon is prayer. Trust and obey God and live, live the Beatitudes. Live a holy life and take refuge, refuge in Our Hearts. Jesus truly awaits those who turn to Him with an open heart. Pray the Rosary and stay close to my Immaculate Heart. Stay close to the heart of My Son, His Most Sacred Heart. In doing this, you will be protected and you will see light no matter how dark this world becomes.

Now, please respond and carry Jesus with you wherever you go. Pray together as a family and make time to come to Mass and adore my Son. These are tools to truly help you, so please take heed to all that I am teaching you. Please listen and respond, so unity around this world can be restored.

My daughter, please join me now and pray for the conversion of sinners. Pray with me and assist me, so more souls see light instead of darkness. Pray everyday, especially for your Pope, for prayer, prayer is his protection. Amen.

MESSAGE #2315 from the Blessed Mother May 9, 2002

My daughter, I come in love. I come in peace. I am truly here to gather my children. If my children want to come to know me in a personal way, then they must open their hearts and turn away, away from sin. They must ask for my assistance and accept my motherly love for them. I am here to intercede for my children, but they in turn must believe that God exists. I am here to light the way, for there is so much darkness on this earth. I am here to light the way and to remind my children the dawn is near. Those who take my hand will be protected by my mantle. Those who respond to my heavenly pleas will have peace, no matter how dark this world becomes. My heart is open for all my children and I invite each of you to take refuge in my Immaculate Heart. My Son sends me to you, to ask each of you to pray.

So today I plead with you, pray with your hearts. Pray sincerely and offer your work to God as a prayer. I ask that you comfort my Son by being faithful to prayer and sacrifice. I am asking families to unite in prayer and sacrifice. I am asking families to cooperate with God. By accepting God's Grace, He will lead you to holiness.

Now please, gather your children and live together in love. Gather your children and make more time for family prayer. Let go of your ways and simplify your lives. Let go of your ways and live a life that is truly pleasing to God. Make your homes a place of holiness and I promise you, unity will be restored all around this world. Prayer, unity and love is what will combat evil, dissension and hatred.

Now please, turn to God and adore, adore Jesus. Cling to prayer and be faithful to daily Mass, Confession, and Holy Communion. This is how you will be strengthened. This is your weapon against evil. Turn to Jesus now and trust, trust in His mercy and guidance. Amen.

MESSAGE #2487 from the Blessed Mother June 5, 2003

My daughter, Make your day a prayer and offer your suffering to our Lord. Healings will then occur and many will turn their lives around.

Many today do not understand the importance of prayer. If they truly understood, they would pray, pray more. They would spend time with Jesus and pray, pray from their hearts. This is why I am asking my children to form groups all around this world. So many are in need of prayer, for they are falling further away from God.

With the help of my faithful children, souls will be saved. With the help of my children, Priests will not give up and they will use their hands and voice for Christ. Prayer is what will keep evil away, so please, please, dear children, pray more. Pray for all vocations so more turn to God for guidance.

Dear children, you must light the way through prayer, fasting, penance and sacrifice. Through commitment on your part, souls will see light instead of darkness. God has allowed this time for more prayer, so please assist me before it's too late. Please assist me in bringing souls out of darkness. Assist me now or darker days will come.

Storms will arise, so prepare, prepare, prepare now. Make room for God in your lives and invite others to those groups that you are now forming. Trust in God when you pray and you shall have peace through all darkness, trials and storms.

I am truly with you now, so please respond by taking part in forming groups throughout the world. Be faithful to me and my Son. Be faithful, receive the Sacraments, receive my Son. Amen.

MESSAGE #2512 from Jesus August 6, 2003

My child,

Listen, listen to My Mother, for she is here to light and prepare the way. She is ever so near to My heart. Tell the world to come to know her love that she has for each of you. She loves you and will assist those who take heed to her motherly requests.

Many look for signs, but what I say to you, My Mother is the sign for these times. She is reminding all her children that there is a Heaven and that hell exists. How My Mother suffers each time a soul chooses to live in darkness. My Mother is unable to help those who are choosing darkness. Darker days will come and there will be no light for those who are choosing darkness.

Follow My Mother's example and obey each commandment. Obey and she will lead you closer to My merciful heart. Obey and then much joy will be given to you. Obedience is the way to true happiness and freedom. Freedom comes from obedience to My Father, so listen, listen to My Mother and obey. Strength will be given to you each time you obey. Listen with your heart, for I truly speak to each of you. Listen and obey and I will give you peace for the journey ahead. Listen and obey and come to Me so that I may present you to My Father, who is also your Heavenly Father. I am Jesus and I am always with those who listen, obey and who come to Me.

My child, I am with you each time you suffer so do not lose trust or confidence in Me. Offer your suffering for those who are choosing darkness. Offer your suffering so more take heed to My Mother so they are led closer to Me. Through your suffering, souls are being saved, so continue to suffer for My Mother and for Me.

MESSAGE #2530 from the Blessed Mother September 22, 2003

My daughter, No matter how dark this world becomes, God's light must shine, shine through His children. In order for there to be light, each child must use their hands and voice for Christ. Each child must do what God is asking of them. Each child must love, love their neighbor and be compassionate towards those around them.

Darkness cannot be removed if my children don't love, love one another. Darkness cannot be removed if there is hatred in your hearts. So, today I ask that you truly come to know my Son so that love can reign in your hearts. I ask that you forgive those who have hurt you so that only love pours forth from your hearts.

It is time now to move on and let go of anything that is preventing you from doing God's Will. It is time now to go forth and light the way for others. God's light must shine in order for darkness to be removed. God's light must shine, shine through each of you.

Take a moment today and reflect on all that God is teaching you. Take a moment and then ask God to assist you so that you can truly live these messages.

Now, please allow my Son to heal you with His love. Allow my Son to guide you so you have peace and joy for the road ahead. Amen.

MESSAGE #2552 from the Blessed Mother November 12, 2003

My daughter, In order for my children to bear fruit, they must pray, pray from their hearts. They must pray and then listen, listen to God. They must go in the direction God is leading them and not be hesitant to do what God is asking of them.

Many today are unwilling to pick up their cross due to fear. They are afraid to speak the truth to those who are choosing darkness. Fear will not help those who are living in sin. Fear is not from God, so please be willing to speak the truth in love. Be willing to rescue those who are on the wrong path. Be willing and full of hope so more will come to know Jesus.

The devil's path is dark, so please help those who are being led astray. Have concern for their souls and light the way wherever you see darkness. Light the way and be brave soldiers for Christ. Light the way by truly living your faith. How beautiful this world would be if you each did your part to light the way for others.

It is time now to gather the harvest, so begin today and pray, pray for one another. Begin today and ask God for the courage needed to go forth in love and in truth. Begin today, for time is short and souls will be needed for each new battle. The time is near, so please respond and be light to this darkened world.

I am ever so near to you, so let go of fear and do God's Holy Will. Amen.

MESSAGE #2563 from the Blessed Mother December 10, 2003

My daughter, I am the Mother of God. I am here to prepare the way for my Son, Jesus. I am here for all my children because I am a mother to each of you. Those who take my hand will see light no matter how dark this world becomes. I say to each of you, take my hand so that I can assist you on this earth.

Take my hand now, for this is a time of preparation. A time in which God has allowed so you become strong in your faith. Do not doubt in this time, for this time will not last forever. The earth is trembling now, so do not wait to prepare your soul. Open your hearts each new day so that God can enter in a deeper way. Open your hearts and amend your ways so that you have peace when mountains move. The earth will shake and those who are strong in their faith will have peace through all storms.

God has been warning His children for some time now, yet many are still living in sin. Many are not prepared because they are refusing to listen to God. Many are refusing my assistance because they do not want to hear the truth. Many are living like kings and queens and are ignoring those around them. This luxury that man is relying on will be taken away. What will man do when they can no longer rely on their wealth? How this world will suffer if they don't wake up soon.

I am warning my children today to let go of all that is preventing you from coming to Church. I am asking that you turn to God and repent, repent of your ways. I am asking for family prayer, for many children have become lost in this world. Many children are neglecting their soul and they are not being nourished in the proper way. So many youth are living in mortal sin. It is time now to wake those who are sleeping. It is time now to take hold of your lives.

There is no longer time to be ignoring these messages, for these messages are the truth. These messages are for all my children, for you each have a soul. This earth will be cleansed and you will each need to be in a state of grace. You will need a strong faith and total trust in God. Today you must ask yourself, do you truly have a relationship with my Son, Jesus? Do you thirst for the truth or are you denying the Gospel? Are you praying and fasting for the sins of this world? Do your children truly know that God exists?

Prepare, prepare now and do not wait. A new and bright light is coming to wake mankind. Those who turn away from sin will be protected, but those who choose darkness will run in the wrong direction. This is a time, a time of God's mercy, but soon, very soon God's Justice will prevail. This light will disappear and those who are listening to the enemy will suffer, suffer tremendously. Those who have taken refuge in Our Heart will be protected.

Choose now and do not wait, for the time, dear children, is soon at hand. Turn to God and amend your ways before it's too late. My hand is truly here for you, so please take my hand so I can assist you. I plead with my children today, so please listen and respond and live, live the Gospel each new day. Amen.

MESSAGE #2618 from Jesus April 23, 2004

My child,

You hear My Mother's voice just as I am speaking to you. Share all that you hear, for all must wake up now.

Your cross will become heavier and you will feel My wounds, but I will assist you. I will hold you on those days when you feel weak. I will be with you, for My words are deep in your heart. Your interior suffering will feel like the chains that whipped My heart.

I am with you, so move forward now and make these messages known. Move forward, for the earth is trembling now. Much light will be needed, for darker days await those who are walking alone. My Mother will never leave you, but her messages will soon end for the world. Direction will be given to you, for you have been chosen to assist My Mother so more see light instead of the fire of hell.

Be still and hear My voice. I am Jesus, Your Merciful Lord. I am here to bring light to the world. My love is everlasting. Pentecost is near.

MESSAGE #2733 from the Blessed Mother February 7, 2005

My daughter, I plead with all my children to be light, light to this world. Without more light, this world will only become darker.

Call upon the Holy Spirit and you will be used in a powerful way. Love will flow from your hearts and conversion will happen. Through your love of knowing Jesus, more will come to know my Son. Every day, it takes sacrifice on your part. Every day, you must pray and allow the Blessed Trinity to work through you. Every day is a new day, so never lose hope. Be obedient to God's Holy Will and trust, trust that you are God's chosen children. Trust and believe that God will bless all your efforts as you go forth and serve Him.

Now please remember, you are my children and this light that I share with you is for all humanity. Amen.

MESSAGE #2756 from the Blessed Mother March 29, 2005

My daughter, Continue to write so that the truth may be made known. So many are living in sin and they need to hear the truth. Many need to wake from their slumber, for so many are living lukewarm lives.

Those who take refuge in My Immaculate Heart will truly be protected. I will light the way through all storms and I will guide you in this darkened world. I will lead each of you closer to my Son, Jesus, if you pray and obey God's Commandments. Each of you must do your part if you truly want to draw closer to God. Each of you must take heed to the Gospel, for it is truly unfolding now. You must live your faith so more follow the path that will lead them to Heaven.

God is pouring His grace upon this world, but so many are refusing His assistance. Conversion cannot happen if my children deny that God exists. Conversion cannot happen if my children choose to live in mortal sin. If parents do not live their vocation, there will be much more violence in the home. Children will become even more rebellious and they will turn to the world for guidance. Many more children will join hands with the enemy if they are not cared for in the proper way.

Please, dear parents, do your part for the salvation of souls. Be strong, strong for Jesus and live, live your vocation. Live the Gospel and be light, light to this world. Embrace each new cross and go forth with love and joy in your hearts. Embrace each child who is suffering and be loving, obedient parents. This world cannot change unless families become loving families.

Please be loving children and be light, light to this world. Live simple and be humble, prayerful children. Be filled with the Holy Spirit and shine your love of knowing Jesus. In these days of darkness, I am asking each of you to go forth as true believers. I am asking that you pray more and stay close, close to Our Heart. In this way, you will be protected and guided along the way.

Now, please share my messages so more turn to God. Share my messages and pray with me each new day. Amen.

MESSAGE #2860 from the Blessed Mother February 16, 2006

My daughter, Believe, adore, and trust in God's love for you. Do all that I am asking of you so you persevere no matter how dark this world becomes.

Today, I am asking that my children love Jesus with their whole heart. This love of knowing Jesus will then shine, shine through you. Without love, love in your hearts, nothing can be accomplished on this earth. I say to my children, pride destroys love. Pride, gossip, anger and hatred will not become pure love. Be loving children and imitate my Son's ways. Be humble, loving and compassionate or you will turn others away. Let go of all that is evil so that light pours forth from your heart.

You each have a mission on this earth and that is to love, love one another. If you do penance for your sins, you will grow in holiness. If you kneel down often and adore Our Lord, you will come to know the true meaning of love. Be thoughtful, compassionate children and pray, pray for those who suffer from hunger, persecution and illness. Pray for them and your burden will become light. Make reparation everyday for those who continue to crucify my Son.

Now, please reflect on what I am teaching you so you truly blossom for Our Lord. Pray, pray often and you will feel the renewal of my Son's love in your soul. Amen

MESSAGE #2863 from the Blessed Mother March 6, 2006

My daughter, Pray for those who suffer from hunger, persecution and illness. Pray for those souls who are refusing to come to know Jesus. Pray, pray, for God expects more from those who see light. Pray and do your part so more turn to Jesus before it's too late. Through your love, through your prayers, hearts will open to the truth.

Each new day, kneel before Our Lord and adore Him. Tell Jesus that you do believe, you do trust and love Him. Jesus wants to hear from each of you, so allow the truth to flow, flow from your hearts. Through conversing with Our Lord, your hearts will be more open to the light and the truth. So please let your hearts speak and surrender yourselves lovingly into Jesus' arms. Amen

MESSAGE #2955 from the Blessed Mother January 11, 2007

My daughter, Change must happen all around the world. My children must repent and amend their ways. All must do their part or you will see increased fighting which will lead to a greater war. I have been with you for some time now and I am pleased with the many prayer groups that have formed.

I say to my children, do not give up on prayer. Pray, pray more. Pray throughout the day and take Jesus with you wherever you go. The world will only become darker if my children become lax in their prayers. I am truly here to light the way, but you must keep this light burning in your heart and soul. You must be light to all your brothers and sisters. You must live a holy life and be an example to others. You must encourage others to pray and assist those who are still sleeping.

There is still much work that needs to be done, so please assist me in this time that I can be with you. Pray and fast and use your hands and voice for Christ. Be loving, humble children so that peace may reign in the world.

Now, please do not lose hope, for I am here, The Mother of God. I am here to prepare the way for My Son, Jesus. Amen.

MESSAGE #3009 from Jesus August 6, 2007

My child,

Pray and I will guide you. Write so more awake from their slumber. Blessed will be those who listen to My voice and prepare themselves, listen to My voice and take heed to My Mother's heavenly requests.

Humanity is being warned, yet so many continue to live in sin. Repent and believe in the Gospel. Turn away from sin and walk in My light. Pray and do penance. Return to the Sacraments so I can assist you. My mercy is great to those who repent. Woe to those who are choosing darkness. Woe to those who are living in mortal sin.

Surrender yourself to My Will. Follow Me along the way of the cross. Unite your soul to Mine. Be humble, loving and prayerful. Do not choose to perish in eternal fire. Prepare your soul. Allow My light to shine through you. Do not reject My mercy and love.

I am Jesus. Blessed will be those who hear My Words and listen to My voice. Pray, open your heart and begin today to practice My Words of teaching. Pray and be prepared. The hour is drawing near.

MESSAGE #3076 from the Blessed Mother April 21, 2008

My daughter, Pray for unbelievers, for so many are on the wrong path. Begin your day with prayer, for so many are in need of prayer. Conversion cannot happen if my children do not pray. Each time you gather and pray, include those souls who are furthest away from Jesus.

Please, please dear children, light the way and bring others to My Son, Jesus. Light the way by truly imitating My Son. Love all your brothers and sisters including those who have hurt you. Be forgiving and God will truly bless you. Do not harbor hate in your hearts. Be loving, humble and forgiving. Pick up your cross and follow Jesus every day. Live in harmony, in love and pray for peace. Live as a holy family and pray, pray together. Live the Gospel and walk with Jesus each new day. Amen.
